no muss, no fuss – just lots of FUN!**

*“Our son’s Abrakadoodle birthday party was WONDERFUL!
All of the parents and kids were very impressed.
Your teachers were very kind and knowledgeable.
We would recommend Abrakadoodle to anyone!”
- Janice Peterson*

Abakadoodle Parties are easy for parents, FUN for kids and include:

- An edu-taining ARTrageous art teacher!
- Age-appropriate activities and art lessons.
- Each party guest leaves with the best party favor ever ... their own FRAMED piece of original art.
- All materials and LOTS of ZANY FUN!

Arty Parties at your home or location.

- To host the party in your home, country club, community room, park and rec building, etc, please provide table space and a chair (or floor space) for each child. We use only safe, non-toxic and washable art products, but for ease of cleanup we recommend using a noncarpeted space. If the area is carpeted, let us know and we can bring draping to protect the carpet. If you select a wet project, please have an area where the project can dry.
- We recommend scheduling the art activity early in the party. This allows time for the art projects to dry before guests depart. If you are adding face painting, this will be done after the art activity while your guests enjoy cake, ice cream, etc.
- For parties at your home, the host parent must be present throughout the party. Since it is your home, we request the parent assist with managing behavior and setting expectations for appropriate behavior. Disruptive behavior such as screaming, shoving, hitting or running is not appropriate.
- Total Time = 2 hours. The first 45 min-1hr of the party is devoted to the art lesson. The next 45 minutes is used for cake/food, present opening and face painting (if requested). The last 15 minutes is for the birthday child to leisurely bid his guests goodbye. Staff will complete any left over clean-up from the art activity at this time.
- For parties with children 4 years of age and older, parents do not need to stay for the party (except for the host parent). Children 2 or 3 years of age must be accompanied by a parent or caregiver, who must stay for the duration of the party.
- Total party time is 1hour 45 minutes.

What is Abakadoodle?

Abakadoodle is the country's largest art education program for children ages two through twelve. Abakadoodle provides age-appropriate activities that feature a wide variety of materials and techniques. Children learn about artists, styles and media and use their imaginations to create their own original art. Each piece of artwork is framed with Abakadoodle's own FrameDoodles[®]. Abakadoodle is a partner of Crayola[®]. We use Crayola products ensuring the use of safe, non-toxic and creative materials. Frequently Asked Questions

Q: How do I know if the day/time I'm interested in is available?

A: Just call (240) 420-1955 or email bjonesmith@abrakadoodle.com and we'll check for you.

Q: What if I don't see a lesson idea I like or I'm not sure which lesson I want?

A: If you need lesson ideas, call (240) 420-1955 or email bjonesmith@abrakadoodle.com. We have over 1800 lessons so we're sure to find a lesson you, your child and guests will love. If you want to book your party, but haven't picked a lesson yet, just write TBD on your party reservation form.

Q: Will the art project be messy?

A: It depends on the project you choose. While we do bring an apron for each child to wear, we recommend you tell parents to dress their child in old play clothes, just to be safe.

Q: Do I need to tip my birthday party teacher/s?

A: That's up to you! If you feel your birthday party teacher went above and beyond to make your child's party a success, you're welcome to give her a tip.

Q: Can grandparents, aunts, older/younger siblings come to the party?

A: Of course! The more the merrier. You are only charged for children who participate in the art project. Non-participating adults or children are welcome to attend free of charge.

Q: What happens if a child misbehaves during a party?

A: We are here to deliver a great birthday party for your child and guests. Therefore, inappropriate behavior such as hitting, throwing things, painting on other children or swearing is not tolerated as it ruins the party for everyone. If a child is making a bad behavior choice, we'll give that child a verbal warning. After the first verbal warning we will ask the child's parent or the birthday parent to intervene if the child continues to misbehave. If the child continues to misbehave, we will ask the child to take a timeout. Once the child has calmed down, he or she is welcome to rejoin the party.
