For parties at our Destin Commons studio: \$250 for 12 children, including birthday girl or boy. \$10 for each additional guest. You will have a two hour block of time for your party – start to finish. Please tell your guests to arrive promptly as our teacher will begin the lesson 15 minutes into that time period. Additional hours are available for \$50 (unless you are adding in face painting; see below) per hour but must be reserved in advance. Your party's Abrakadoodle art lesson will last 45 minutes for younger children and 1 hour for older children. Our teacher will be there to help you in every way possible. As time allows, she will lead the children in games, opening gifts and serving of cake and drinks. Her goal will be to provide the best possible birthday party for your child and allow you to relax and enjoy it! Please pack all items that require refrigeration in cooler as we do not have a refrigerator on site. Kids love our studio space! And we have Twister and hopscotch painted on the floor and a portable stereo for background music available for music if you wish to bring your child's favorite cds. Birthday boys and girls are invited to place their painted hand-prints on the Abrakadoodle Birthday Wall of Fame with their signature.
